DOMINANT LEARNING STYLE CHARACTERISTICS

Describe what you prefer most of the time. Place a tick mark next to every phrase under each section that describes your preferences. Tick as many as you feel strongly describe you.

Dominant Concrete Sequential (CS) I almost always:

......prefer doing things the same way

......work best with people who won't hesitate to take immediate action

......am more interested in obvious facts than in finding hidden messages

......prefer a neat and orderly environment

......ask first "How do I do it?"

Total..........

Dominant Abstract Sequential (AS) I almost always:

......want as much information as possible before making a decision

......need enough time to do a thorough job

......prefer to get directions in writing

......am interested in where a person got the facts

......ask "Where do I find more information?"

Total..........

Dominant Abstract Random (AR) I almost always:

......prefer to check with others before making final decisions

......try to be sensitive to other people's feelings

......work well with others

......am not bothered by a cluttered environment

......ask the advice of others when in doubt

Total..........

Dominant Concrete Random (CR) I almost always:

......solve problems creatively

......act on the spur of the moment

......work best with those who can keep up

......like frequent changes in the environment

......prefer to learn only what's necessary to know

Total..........
